

Windows®. Life without Walls™. Lenovo recommends Windows 7.

# Lenovo® ThinkCentre™ M90/M90p

## High-performance desktops with latest technologies for next-generation stability and manageability

The Lenovo® ThinkCentre M90/M90p is a high-performance desktop that caters to the sophisticated computing needs of large enterprises and mid-market businesses.

Available in three standard form factors, tower, SFF and Eco USFF, this energy-efficient desktop is best in class. Your business will get a real boost with the latest Intel® Core i series processors, Lenovo Windows® 7 Enhanced Experience, Secure Managed Client 2.0, and Intel® vPro® technologies.

High-performance, improved productivity, and remote management with worry-free storage is now possible with the ThinkCentre M90 /M90p.

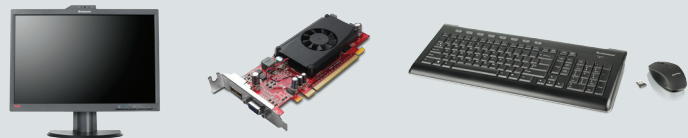

Security, a paramount concern for most leading businesses, is addressed with a Hardware Password Manager tool, a chassis intrusion switch, a USB disable function, and PS/2® ports.

### HIGHLIGHTS

- Genuine Windows® 7 Professional 32bit or Genuine Windows® XP Professional (preinstalled through downgrade rights from Genuine Windows® 7)
